2022 Wedding
Pricing Guide

Congratulations, you're marrying your best friend!

I'm so glad you're considering me in your search for the right wedding photographer! Choosing who will capture these once in a lifetime memories is an important decision and investment.

In this pricing guide you'll learn a bit about me. You'll also find all of my available collections – and the extra goodness that can be added onto them to best fit your wedding.

Please reach out if you have any questions or if you'd like to go out for coffee and get to know one another and see if we're a good fit to make some magic together on your wedding day.

Hello! I'm Alyssa. And I'm a goob.

I'm a brunch loving 20-something who can't function without coffee first. My goal is to bury my home in houseplants and I get unreasonably giddy about animals (I'd love to meet your dog). I have the most beautiful cats and a snuggly pup. I married Jered in 2014 - we enjoy board games with friends, going on walks, and watching TV together.

My favorite photos are the ones that tell a story. I'm not just interested in capturing the big moments, but finding the significance in the small ones as well. I want to make meaningful art that celebrates exactly who you are and who you love.

I call the Portland area (Newberg) home. I have a degree in Art + Design. I studied photography and painting in the hopes that I will make art for the rest of my life. I have been photographing weddings + portraits full time since 2016 and I LOVE it. It's so unreal that I get to be doing my dream job.
